

Qingming Festival 清明节 April 4, 2017

Also known as Tomb-Sweeping Day, it is a traditional Chinese festival on the 15th day after the Spring Equinox, either 4 or 5 April in a given year, when Chinese people visit the columbaria, graves or burial grounds to pray to their ancestors.

Global Vision Forum

INTERNATIONAL COOPERATION

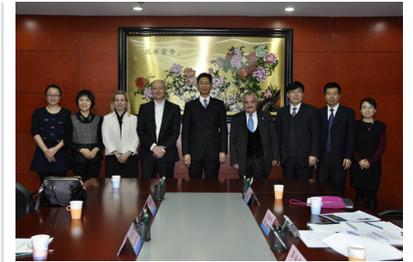

IWHR warmly received delegates participating in the AWC Board of Council Meeting that was jointly organized by China's Ministry of Water Resources and IWHR on March 30, 2017 in Beijing

IAHR Executive Council Members visited IWHR and gave speeches at the institute's Global Vision Forum on Oroville Dam accident on March 22, 2017 before attending its Council Meeting in Beijing

WWC Executive Director Tom Soo paid a visit to IWHR on February 7, 2017 to promote further collaboration between WWC and the institute

ICOLD Honorary President Luis Berga and IHA CEO Richard Taylor visited IWHR on January 11, 2017 and later delivered reports on 2017 China Hydropower Development Forum

RESEARCH PROGRESS

IWHR has completed a research on standardized technical mode and equipment (circular sprinkler with variable irrigation) for water-efficient irrigation in irrigated areas

BITC supplies high-waterhead Francis turbine to Qireha Tal Hydropower Station using its hydraulic optimization design system to fit into local conditions

IWHR research team on a national water security strategy and major policies conducted a field investigation in Shanxi Province, which is one of the key research areas

IWHR has completed a research on waterlogging control and drought mitigation in irrigated farmlands that combines field investigation, experiment and theoretical studies
